MITCHELL S. MILAN, D.D.S. — BIRMINGHAM CENTER FOR COSMETIC DENTISTRY

555 S. OLD WOODWARD AVE., STE. 701, BIRMINGHAM, MI 48009 | 248-644-2136 | WWW.MICHIGANSMILE.COM

Dr. Mitchell Milan's amazing smiles have been featured on magazine covers and television, and can be seen on everyday people all over the world. He founded the Birmingham Center for Cosmetic and Implant Dentistry with the philosophy of creating extraordinary dental work, and was chosen to teach the first-ever cosmetic dentistry course at the University of Detroit School of Dentistry — which is why he's often referred to as the "Dental Guru." Dr. Milan, who takes on the most challenging and advanced dental cases, and acts as a consultant to other

dentists, has always been on the forefront of innovations in technology; his new, state-of-the-art office is geared solely for the comfort and well-being of his patients. Dr. Milan's discriminating patients are always impressed with his compassion, and his ability to be a great listener and understand and accomplish their dental needs. He has been a prominent business owner in Birmingham for more than 25 years, and continues to give back through various charities.
